 MOUNTAINVIEW
 Educational Foundation
 Annual Report 2013-2014

Thanks to your generous support this last year, the Mountain View Educational Foundation had one of its best fundraising years in its 30 year history. Your commitment to quality education enabled us to provide a variety of essential programming for every student in the Mountain View-Whisman School District.

In the 2013-2014 fiscal year, we were able to provide the school district with \$486,500 to fund essential programs like hands-on science, professional art and music instruction, garden curriculum, inclusive recess and playground programs in the elementary schools; a technology grant for the special education program; and after-school sports, extended-day electives, and science lab supplies in the middle schools.

Every day, students in our district are impacted by MVEF-supported programming. They are learning how to resolve conflicts on the playground, playing a clarinet for the first time, conducting an experiment comparing particle wood and plywood, painting and drawing using the same techniques used by grand masters of art, analyzing and interpreting observations of crayfish behavior, committing to the discipline needed to be a member of a middle school sports team, and writing and producing the morning school announcements shown on every middle school classroom television. These opportunities, integrated with the curriculum and school day, are essential to a well-rounded education.

We are very fortunate to have a community of individual, local business, and corporate donors who want to make a difference in our public schools. We know there are many worthy causes you consider when choosing where to donate. We hope you will help us continue to provide essential and innovative programming for the children of Mountain View. Your support means so much to so many. Thank you for your ongoing commitment.

MVEF MOUNTAINVIEW Educational Foundation Endowment Annual Report

Created in November 1999, the MVEF Endowment exists to provide long-term, perpetual financial support to MVEF. Gifts to the Endowment are an investment in the health of our community and our schools. The Endowment is professionally managed by the Silicon Valley Community Foundation, with a focus on long-term stability and growth. Once the fund reaches \$500,000, a portion of the return will be disbursed to MVEF each year. In fiscal year 2012-13, MVEF launched the **5 Years to \$500,000 Endowment Campaign**. The endowment committee has focused on fundraising efforts that allow MVEF to continue supporting current students while growing the endowment. The efforts have included:

- Tribute gift campaigns in conjunction with the eighth grade graduations
- Neighborhood challenge grants in the Old Mountain View, Cuesta Park, and Monta Loma neighborhoods
- Participation in Silicon Valley Gives, an online giving day coordinated by Silicon Valley Community Foundation

Thanks to the many donors who have contributed during these efforts, along with a strong return on investments, the Endowment fund had \$390,562 as of June 30, 2014. We are well on the way to reaching \$500,000.

To learn more about the Endowment, and how you can make an investment in our school district, please email endowment@mvef.org.

Thank you to the following donors who contributed to the MVEF Endowment between July 1, 2013 and June 30, 2014.

And Many More

During the 2013-14 year, more than 100 individuals volunteered their time to help strengthen MVEF, and innumerable teachers and administrators spoke to parents about MVEF. On behalf of students in the Mountain View Whisman School District, thank you for your commitment to MVEF and to the community.
